## Revenue Statement 2016/2017

---

Section 94 of the Local Government Act 2009 and Section 106 of the Local Government (Finance, Plans and Reporting) Regulation 2010 require the Council to adopt a revenue Statement for each financial years and to include certain information therein.

The purpose of the revenue statement is to set out the revenue measures adopted by Council to frame the 2016/2017 Budget.

Cherbourg Aboriginal Shire Council will be guided by the principle of user pays in the making of rates and charges. Fees and charges are determined by resolution at Council's budget meeting each year and become effective from 1<sup>st</sup> July.

Council is required to raise an amount of revenue it sees as being appropriate to maintain assets and provide services to the shire as whole. Council will levy general rates based on the unimproved capital value of the land in conjunction with a minimum general rate.

Council expects to marginally increase the operating capability in 2016/2017 to maintain and deliver services to the reasonable expectation of the community. Apart from General rates and Utility charges Council has not levied any special or separate rate.
