

## **CRAICCHS will remain open during COVID-19**

CRAICCHS is still able to manage your health care needs and chronic health conditions via telehealth.

Face to face consults will be available if the Doctor requests it.

### **Appointments with the Doctor:**

- All appointments provided over the phone
- Call reception to book your appointment
- Your phone number must be confirmed at the time of booking
- All of your general needs can be easily done at the time of this call with the Doctor – scripts, referrals, advice etc.

### **Medications**

- CRAICCHS will send your script to Murgon Pharmacy.
- Medications can be picked up from CRAICCHS between 4-5pm daily.
- Delivery of medications available if required.

If you have a mole, spot, wound and are concerned, phone reception first, take a photo and appropriate action will be taken when and if required.

**Flu Needles** will be given by appointment only. An update will be provided as they become available.

**Blood tests** are still available by appointment only.

**Continue to phone CRAICCHS on 1800 698 600 for a  
Doctor's Appointment**

**Any general questions or concerns, please contact us.**
