Housing Property Maintenance Inspections

31st January – 3rd February 2022

Staff from the Department of Communities, Housing and Digital Economy will be in Cherbourg from 31st Jan – 3rd Feb 2022 to conduct maintenance and safety inspections at your property.

It is important that you are home during the inspection time so please check your mail to confirm when your house is being inspected.

If you will not be home at the time scheduled, please call 4036 5555 before the 31st of January to schedule a different time.
