Wendy Lewis (NDIS)**

Robert & Wendy work in the Disability & Outreach Connections (NDIS). Want to disseminate more information to the community regarding their services and assistance that they can provide.

**10.34am Lucy Kelly (DATSIP)
Angela Ruske (DATSIP)
Callum (DATSIP)**

Council does not support the Cherbourg Community Safety Plan as it does not lift the Alcohol Management Plan. Council believes that the AMP is Racist, Residents incurring fines, criminal records – can't access blue cards due to the fines and Council wants it to be lifted.

Angela advised that there needs to be a broader discussion regarding AMP at a later time. In the meantime there are options such as amendments to the CSP in a staged approach to carriage limits, opening a tavern with AMP rules etc. Council and community could also take a renewed holistic approach as to why people drink and the impact.

**11.21am Lucy Kelly - DATSIP left meeting
Angela Ruske - DATSIP
Callum - DATSIP**
