COMMUNITY SERVICES

Health Summit

Community Services Manager felt the recent Health Summit was rushed. The 2 days Health Summit Organiser Barb Schmidt spent interviewing on community was inadequate and not appropriate. There was not enough community attendance at the Summit, Services that receive Wellbeing Funding (SPAN, CTC, Graham House, Cherbourg Womens Shelter, Mens Shed, School & NDIS providers) were not included on the program to speak. General Community did not understand what the Summit was for.

Community Services Manager Recommends;

- *A health information day for community people*
- *More extensive community consultation*
- *Community Surveys*
- *A second Community Health Summit*

Report Approval

That the Community Services Report be adopted.

Moved : Deputy Mayor Tom Langton
