Adoption of the Cherbourg Land Use Plan 2026 and Supporting Technical Report:

Council endorsement is sought for the Cherbourg Land Use Plan 2026 and the accompanying Technical Report prepared by Planning 916 on behalf of the Department of Women, Aboriginal and Torres Strait Islander Partnerships and Multiculturalism (DWATSIPM).

The Queensland Government, in partnership with Cherbourg Aboriginal Shire Council, has developed the Cherbourg Land Use Plan 2026 to guide the future growth and development of the Cherbourg community. The Land Use Plan replaces the previous Cherbourg Master Plan 2019 and provides a strategic framework to support future residential, industrial, commercial, tourism, community facilities, recreation and open space development.

The Plan has been developed through technical investigations and community consultation and is intended to guide decision-making by Council, Prescribed Body Corporates (PBCs), State agencies, service providers and the broader community.

Planning 916 was engaged by DWATSIPM to undertake a review of the previous Master Plan and prepare supporting technical investigations, including the proposed Emergency Services Precinct. The findings and recommendations are documented in the accompanying Technical Report.

Resolution

That Council:

1. ***Endorse the Cherbourg Land Use Plan 2026 as the strategic planning framework for future development within Cherbourg.***

2. ***Note the findings and recommendations contained within the accompanying Technical Report prepared by Planning 916.***
3. ***Authorise the Chief Executive Officer to work with relevant State Government agencies and stakeholders to implement the priorities and actions identified within the Cherbourg Land Use Plan 2026.***

Development Application DA2025_012 - Material Change of Use (Medium Impact Industry and Caretaker's Accommodation)

Council has received Development Application DA2025_012 lodged by Planning 916 on behalf of the Department of Women, Aboriginal and Torres Strait Islander Partnerships and Multiculturalism (DWATSIPM}, Remote Indigenous Land and Infrastructure Program Office (RILIPO), acting for Cherbourg Aboriginal Shire Council.

The application seeks approval for:

Medium Impact Industry (Manufacturing); and Caretaker's Accommodation on Lot 395 SP280472, Murray Road, Cherbourg.

The application was subject to Impact Assessment under the Cherbourg Aboriginal Shire Planning Scheme 2013 (Alignment Amendment 2017).

The State Assessment and Referral Agency (SARA) reviewed the application and advised that no assessment against State interests was required. No submissions were received during the public notification period.

Assessment

The application has been assessed against the requirements of the Cherbourg Aboriginal Shire Planning Scheme 2013 and relevant provisions of the Planning Act 2016.

The assessment concludes that the proposed development:

1. *Supports economic development and local employment opportunities within the community.*
2. *Facilitates the productive reuse of an existing industrial facility.*
3. *Provides caretaker accommodation associated with the operation of the industry.*
4. *Utilisesexisting urban infrastructure and services.*
5. *Is consistent with Council's strategic objectives and Operational Plan priorities relating to employment, economic growth and business development.*
6. *Complies with the relevant assessment benchmarks of the Planning Scheme, subject to reasonable and relevant conditions.*

Motion No. 3101 Carried
For Vote: Council Voted Unanimously

Objection to Demolition of Building

Council has received an objection to the demolition of the heritage listed building at 3 Fisher Street from Cherbourg women and Surrounding Communities. They strongly oppose the demolition of this building and request that Council explore opportunities to preserve, restore and repurpose it as a Women's Wellness Centre for the Cherbourg Women. Potential costs to upgrade the building to full compliant conversion to the proposed Class 9 assembly building use of Women's Wellness Centre is a budget of approx. $1M to $1.5M would need to be established.

Council's decision to demolish the Heritage Listed Building is based on community needs - the priority for housing. Council is funded for housing and cost to convert and make compliant for a Womens Wellness Centre is approx. 1-1.5 Million dollars.

Public Notification

If demolition and new construction is approved, the CASC Building Department recommends installing permanent, appropriate signage at the front top corner of the site. The signage should acknowledge the site's history, people, buildings, meaning and timeline, and explain why the site was redeveloped for new housing.

Bell Street - New Projects, Funding Proposals and Opportunities

A funding proposal is being prepared for the Department of Housing for the Bell Street redevelopment, planned for July/August. The proposal includes demolishing sites at 10A–14 Bell Street, noting that 12 Bell Street has already been cleared. The project would reconfigure six lots into five larger lots. Sewer infrastructure across the lots will be inspected and assessed for replacement before future development limits access. The five lots would be prepared and serviced, including retaining walls, sewer, water, filling and levelling. A 3D site and building model in Navisworks is available for reference.

Council will conduct a site visit to Bell Street 10A – 14 before it makes a decision on this new project
